**CVAG RECYCLE USED OIL**

### DID YOU KNOW?

- Just one gallon of used motor oil can ruin one million gallons of water!
- Plants and flowers can't grow when there's oil in the dirt.
- Fish can't swim when there's oil in the water.
- Putting used oil in the trash can leak out of the can and onto the curb where kids ride their bikes and play.
- Used motor oil can be cleaned, recycled, and used again and again!

Return completed form to your teacher by February 4, 2013.
